Important things to consider before attending an activity:

Disabled Parking?

Can I use my
companion card?

Can I use my pension
card?

Will I have to pay for myself and
my support persons / carers
ticket?

Is this activity covered
by the NDIS?

Am I able to bring my
support person / carer
with me?

Are there accessible
toilets?

Is it Wheelchair, Electric
scooter accessible?

Am I able to access Easy English
or another language?

You can find this information on the clubs/groups website or their social media pages. You can also call, send a message or email the group to ask questions.

It is a good idea to contact the activity or venue before you go. This gives them time to help you or tell you if something is not possible.
